

**GILLIAN BICKLEY** is co-founder (with her husband, Verner Bickley) of both the publishing house, Proverse Hong Kong, and the international Proverse Prize for an unpublished work of fiction, non-fiction, or poetry. Three of her four poetry collections (*China Suite*, *For the Record*, *Moving House* and *Sightings*) have been supported by The Hong Kong Arts Development Council (HKADC). Her poetry has been anthologized in Hong Kong, the UK, and the Philippines and translated into several languages. *The Golden Needle*, her biography of early Hong Kong resident and Founder of Hong Kong Government Education, Frederick Stewart (1836-1889) is increasingly significant in post-1997 Hong Kong.
